

what we do

Comvox® Systems

is an IT Solutions Company.

Comvox is certified by the National Minority Supplier Development Council as a 100% woman-owned and black-owned minority firm. We offer customizable and scalable solutions for IT, communications, collaboration, video and site security that are reliable, affordable and flexible. Comvox IP solutions allow your organization to stay better connected, at a lower cost, and to quickly and effectively adapt to the challenges of an ultra-competitive marketplace.

Comvox combines advanced communications products, services and IP-enabled applications to reduce operating costs and improve business operations. Time and distance are no longer barriers to making the necessary connections that enable your business to be successful today, tomorrow and in the future, plus save thousands on monthly recurring costs.

Comvox offers a comprehensive suite of retail and digital signage solutions for enhancing customer satisfaction and driving sales and marketing; state-of-the-art IP based video conferencing, surveillance and monitoring equipment to help you keep your property and business locations secure.
